**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I started with unbundled DSL and I really appreciated the service. It was far superior to AT&T service. I was then upgraded to fiber which is the fastest service available in my area. I believe that if unbundled DSL were not available, my provider would not have been able to offer my fiber. Competition is important and I believe that unbundled DSL is an important part of that.

Thank you,
